Bridger Range
2/9/2020
Code
HS-N-R3-D2.5-O
Elevation
8000
Aspect
NE
Latitude
45.96840
Longitude
-111.02100
Notes

We drove to Flathead Pass to look for avalanches from the recent storm and saw widespread crowns that were fresh enough to have ran during the end of the storm. A couple broke in the 3 feet of storm snow, b ut many were 3-5' deep on persistent weak layers.
