Large Wet Slides at Bridger

Date
Wed, 04/26/2023 - 07:55
Activity
Skiing

Saw a number of large wet slides at Bridger Bowl the morning of 4/26. One running deep into North Bowl, and a couple other large slides in Bridger Gully coming off the ridge. These seemed to be recent -- likely from the past 48 hours.

Region
Bridger Range
Location (from list)
Bridger Bowl
Observer Name
Koby Gordon
