

Cornice Fall, North Madison Range

NORTHERN MADISON RANGE

Northern Madison

4/10/2023

Code

WS-N-R2-D2-O

Elevation

9800

Latitude

45.29520

Longitude

-111.41000

Notes

From email: "This afternoon en route back to Livingston from Idaho, lots of [slide](#) activity at all elevations...

The first picture is the [cornice collapse](#). One block in the debris pile was probably the size of my airplane - a giant ass snowball."
