

Wet Snow Avalanches between Idaho and Livingston

NORTHERN MADISON RANGE

Northern Madison

4/10/2023

Code

WL-N

Latitude

45.29520

Longitude

-111.41000

Notes

From an email from a pilot flying over the mountains: "This afternoon en route back to Livingston from Idaho, lots of [slide](#) activity at all elevations...

Too many point releases to count in every range I've crossed today..."
