8600

Aspect

E

Latitude

45.77980

Longitude

-110.93500

Notes

A Bridger Canyon commuter reported 3-4 fresh slides on Baldy and Saddle Peak

From BBSP 2/11/24: "there's at least 3 slides from over night on the north side of the skyline, 1 on the south edge of the football field and one higher on the upper rock band that ran over the cliffs into going home chute".
