

Our instructors set up in the field EVERY SATURDAY for rescue skills practice. Stop by our beacon park practice site for 15-20 minutes, between 10am-2pm. Look for the yellow banner up Lulu Pass road.

We also host a current conditions talk EVERY FRIDAY evening. This week (Jan 27) at The Antlers Lodge (6:00pm), at the Super 8 every Friday in February, and Soda Butte Lodge in March. Photo: GNFA
